

# Web Development using React — Assignment 2

Min Wu <[minwu.training@gmail.com](mailto:minwu.training@gmail.com)>

In tonight's class, we implemented the task management of the Kanban board.

Please implement card deletion feature, as shown below. Each card has its own delete icon at the top-right corner. The icon is not visible until you hover over the card. Clicking the delete icon should delete the associated card from the Kanban board.
